

## Actividad 4

The screenshot displays a GitHub repository interface. At the top, the repository name 'Lista' and the user 'wilbertek' are visible. The navigation bar includes links for Code, Issues, Pull requests (with a count of 1), Actions, Projects, Security, and Insights. The left sidebar, titled 'Files', shows a list of files in the 'main' branch. The file '06\_11\_2024\_Julio.txt' is highlighted. The main content area shows the selected file's commit history, with the latest commit by 'wilbertek' displayed. Below the commit, there are tabs for 'Code' and 'Blame'. The 'Code' tab is active, showing a diff view for line 1, which contains the text '06-11-2024'. A banner at the top of the diff view promotes GitHub Copilot, stating 'Code 55% faster with G'.
